Internet Cable:

If you are responsible for either **Internet or Cable** or **Both**, please <u>contact these</u> <u>companies to have your services connected at least 2 weeks before you move in.</u>

This way you will be more assured of having internet and/or cable connected when or soon

after you move in.

If you will be living with roommates, you will need to decide which roommate will be responsible for which utility. Remember you may have to pay deposits for the internet and cable to be connected.

Keys: Let me know the day and estimated time you plan to move-in and I'll leave the apartment

unlocked so you can go ahead and start moving in. I'll drop off the keys shortly thereafter.

Call me, if other arrangements need to be made.

Rent: Remember, your first month's rent is due no later than when you move-in. It would be

much appreciated if you could go ahead and either (i) drop-off the rent at my office or (ii) mail it to me at the address below. If that is not convenient, you can pay rent upon moving in. Thereafter, please remember that your rent is due the first day of each month.

Phone: If you have changed any telephone numbers, be sure to let me know the new number(s).

Move-In Shortly after you move-in, we will complete a Move-in Inspection Form. This will list the

Inspection: condition of your unit upon your move-in. Also, if you notice anything in your unit that

needs attention, make a list and give it to me at your earliest convenience.

Remember: General Rules: No Tape or Stickers on the walls... and No Pets!
